AFM Scholarship Application

The Atlanta Friends Meeting (AFM) offers financial aid scholarships for attendance to SAYMA (Southern Appalachian Yearly Meeting and Association) and FGC (Friends General Conference) Gatherings. Please check the SAYMA and FGC web sites (<http://sayma.org/> and <http://www.fgcquaker.org/>) for registration information and deadlines to avoid late fees. Financial assistance is also available from SAYMA and FGC. They will ask if you first applied for assistance from your local Meeting, so please submit your application as early as possible. Also, let us know if you receive any assistance from SAYMA or FGC so that we may coordinate our scholarship with theirs.
